ReCYCLe This...
THE BIG 5

Corrugated Cardboard

This includes any material consisting of a ridged box. Flatten all boxes and remove packing peanuts, plastic bags, bubble wrap, air pillows and styrofoam.

Do not put paperboard (shoe boxes/cereal boxes), pizza boxes, newsprint or junk mail in the cardboard recycling container.

Plastics #1 + #2
PLASTIC BOTTLES, JUGS & JARS

Rinse out any residue, then put the cap back on before you recycle the container. Place all other plastic material in the trash.

Do not put plastic bags, plastic toys, plastic furniture, clamshell containers (strawberry containers, etc.) or other plastic materials in the plastic bottle, jug, and jar recycling container.

Metal Food & Beverage Cans
RECYCLE ALUMINUM, TIN & STEEL CANS

Rinse out any residue.

Do not put cooking pots & pans, metal hangers, foil or pie plates, newsprint, or junkmail in the metal recycling container.

Glass Bottles & Jars
RECYCLE CLEAR, BROWN, & GREEN GLASS

Rinse out any residue and throw away the lids.

Do not put dishes, glassware, window glass, vases, or any other glass material in the glass recycling container.

Mixed Paper

This includes junk mail, newspaper, magazines, phone books, office paper, cereal boxes, soda boxes and shoeboxes, or any paper that doesn't fall into the category of corrugated cardboard.

Do not put corrugated cardboard in the mixed paper recycling container.

2
